

IBattleshipController

```
graph BT; MBCCoreRandomBot[MBCCore.RandomBot] --> IBattleshipController[IBattleshipController];
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled 'MBCCore.RandomBot'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'IBattleshipController'. The arrow indicates that 'MBCCore.RandomBot' inherits from 'IBattleshipController'.
